juniors

**WIN a FREE
TRIP to D.C.**

3 local
high school
juniors

**WIN a
\$500
scholarship
toward
secondary
education.**

**CONTEST ENTRY
DEADLINE:**

Friday, Feb. 20

D.C. Trip Dates:

June 14-20, 2026

This **amazing opportunity** offers local youth leaders a chance to win an **all-expense paid trip** to our nation's capital for six days. Over **100 youth leaders from across Missouri** come together to take on **Washington, D.C.**

Once there participants meet up with delegates from 42 states (approximately 1,500 young people) all touring during the same week in D.C. Our Missouri delegation visits all the sights D.C. has to offer while also **making friends and lots of great memories!**

Youth Tour is sponsored by electric cooperatives across the country, with **3 local delegates** participating through **Callaway Electric Cooperative** in Fulton, MO.

Eligibility

The Callaway Electric Cooperative Youth Tour Essay Contest is open to all high school juniors living in and/or attending school within Callaway Electric Cooperative's service area. A Callaway Electric membership is not required for entry. Children or grandchildren of Callaway Electric employees or directors are ineligible.

Application/Contest Process

Interested students are invited to submit a completed application as explained in the next few pages. Applications will be reviewed by three judges with backgrounds in rural electric cooperatives. Six top ranking students will be invited to the cooperative to compete in a final competition held at Callaway Electric in March. Final scores will be based on the original application, a written test and an interview with a panel of three judges. All finalists are winners. The top three win an all expense paid trip to D.C. in June, 2026 and the remaining three receive a \$500 non-renewable scholarship toward their secondary education.
